Estate Primary School No. 5, Yau Oi Estate, Area 15, Tuen Mun, N.T.

Dear Ms CHEUNG,

Six years ago, your boy set off from your school with flying colours for Wah Yan College, Kowloon, and he has continued to shine in a wide spectrum of both academic and non-academic pursuits. Today, it is with great pleasure that I share with you his joy of achieving another personal best, flying even higher in pursuit of his aspirations by entering one of the most sought-after programmes in a leading university, and he is:

*FOK Chin Long*

*HKU*

*Bachelor of Dental Surgery*

Time flies. Gone is the childish kid; before us is a fine young gentleman – whom we have nurtured hand-in-hand over the past 12 years – embodying the finest intellect and a great sense of humility and composure, sparkling with aspirations to serve and excel.

As educators, I believe you would be as proud as us to present our graduates who not only have developed a solid foundation in knowledge and skills, but more importantly the moral principles that will enable them to walk their life journey and serve the community with competence, commitment, compassion, and conscience.

In quest of nurturing men of human excellence, I look forward to journeying on with you – attached are copies of our Prospectus for your perusal. We cordially welcome more bright minds from your school in the years to come.

Yours sincerely,

CHOW Tze Sze Cecilia  
Principal
