Dear Principal,

Credited as the forerunner of quality education in Yuen Long, Shung Tak has always strived to provide the best English-learning atmosphere and a wide spectrum of learning experiences for students. It is with great pride and pleasure that we concluded the 2025/26 academic year with, once again, outstanding achievements by our Secondary 6 graduates. We firmly believe that the continued success of our students has been made possible not only with our own effort but also the excellent training your school provides, which lays a good foundation for students to excel.

In the 2026 HKDSE, 100% of our graduates were eligible for sub-degree programmes and civil service appointments, with 91% of them eligible for university admission, and more than 40% admitted to the top three local universities, namely The University of Hong Kong, The Chinese University of Hong Kong, and The Hong Kong University of Science and Technology. In total, 86% of our graduates will continue tertiary education with a degree programme in Hong Kong. The list below shows the JUPAS degree programmes offered to your alumni:

Name	**JUPAS Degree Programme**	
WAN KEI WING LAVIN	Hong Kong Polytechnic University	BBA (Hons) Scheme in Accounting and Finance

The last academic year was a challenging yet rewarding year. We hope that our schools can continue to work closely together to nurture more competent and well-mannered individuals for our society.

Yours sincerely,

Norris Lai
